GLOBAL TECHNOLOGY LEADERS SUMMIT

Wendy Pulling

Director of Environmental Policy
Pacific Gas and Electric Company

Wendy Pulling is the Director of Environmental Policy at Pacific Gas and Electric Company (PG&E) in San Francisco. Ms. Pulling leads a talented team responsible for developing PG&E's leadership strategies and programs on a wide range of issues, ranging from environmental justice to environmental stewardship. Under her leadership, PG&E created its innovative "climate neutral" program for customers - ClimateSmart™. Prior to joining PG&E, Ms. Pulling worked as an Assistant Regional Counsel at the U.S. Environmental Protection Agency and as a Senior Attorney at the Natural Resources Defense Council. She serves on the Boards of Audubon California and of Sustainable Conservation. Ms. Pulling has a degree in history from Princeton University and a law degree from Stanford University.
